

Minnesota Twins/Delaware North Employee and Volunteer Parking at the Hawthorne Ramp

Red arrows show the Skyway connection to Target Field.

We strongly encourage using skyways - *please cross 7th Street using Skyway - instead of crossing the street.*

Please use the stairwell or elevator on exterior of Target Field on Skyway level to get to street level.

SECURITY AND CHECK-IN: The associate and volunteer entrance is on 7th Street at Twins Way, under the “giant shutters” (commonly referred to as the South Ramp).

RAMP PROCESS/PAYMENT

1. **Enter Hawthorne Ramp from Hawthorne Avenue side (green arrow on map, 9th Street and Hawthorne Avenue, next to bus depot).** The Hawthorne Ramp is attached to Ramp A on the far side of the ramp from Target Field, but it is NOT Ramp A. The two ramps are under different management, and we do NOT have an arrangement for reduced rate parking for Ramp A.
2. **Take ticket upon entry.**
3. **Get validation ticket from Volunteer Group Lead or HR representative.**
4. **AS YOU ARE LEAVING, you may pay at either of the pay-boxes on the Skyway Level (blue “P” on map), OR pay as you exit the ramp.**
 - a. Paying from car at EXIT - Insert ticket you took upon entry, insert validation ticket, make payment with credit card only.
 - b. Using blue pay box – Only use pay-box at *end* of volunteer shift! Take your initial ticket back out to present upon exiting ramp. DO NOT use pay-boxes to pay as you are *arriving* for your shift. The payment is “active” for 15-20 minutes after payment is made, which will slow down your exit from the ramp if the payment is re-activated at the end. Payment can be either credit card OR cash.
 - c. **Cost is discounted to \$5.00 with validation ticket.**
